Salam dari International Test Center,

Dalam rangka meningkatkan minat, bakat dan kemampuan mahasiswa di bidang **Cyber Security** (keamanan digital) serta mengembangkan talenta muda untuk dunia digital yang makin berkembang, **International Test Center** bersama **ThriveDX** mengundang perguruan tinggi untuk mengikutsertakan mahasiswa dalam kegiatan:

“Cybersecurity Hackathon! A Challenge for Young Talent.”

Kegiatan tersebut akan diselenggarakan pada:

Hari/Tanggal : Kamis – Sabtu / 29 September – 1 Oktober 2022
Waktu : 14.00 – 19.30 WIB
Tempat : Virtual (Daring)

Sehubungan dengan acara tersebut, persyaratan peserta adalah sebagai berikut:

- ✓ Warga Negara Indonesia usia maksimal 22 tahun dan dapat berkomunikasi dalam Bahasa Inggris.
- ✓ Berminat mengembangkan kemampuan di bidang **Cyber Security**.
- ✓ Peserta dikelompokkan dalam tim, dengan ketentuan 3 orang per tim.
- ✓ Mengisikan data diri melalui link <https://www.cybsec.id/hackathon> (masing - masing orang).
- ✓ Membayarkan **biaya pendaftaran sebesar Rp.1.500.000,-/tim**.
 - Acuan pembayaran akan dikirimkan kepada pihak institusi. Silahkan menghubungi kontak berikut:
Susmita | susmita@itc-indonesia.com | +62 895 393 778 699 (WA) | +62 341 340 661 (Telepon)
 - Batas konfirmasi terakhir pada Kamis, 22 September 2022 jam 11.00 WIB.

Demikian hal ini kami sampaikan. Besar harapan kami para mahasiswa dapat berpartisipasi aktif dalam training dan kompetisi tersebut. Atas perhatiannya kami ucapkan terima kasih.

Salam,

Leni Elvira
Regional Manager

Join Our 3-Day Cybersecurity Hackathon! A Challenge for Young Talent

29 Sep - 1 Oct
14.00 - 19.30 WIB

Winners will get a scholarship to our Bootcamp and a chance to win other spectacular prizes!

Are you interested in stepping into the world of cyber? Join our Hackathon for a unique and collaborative learning opportunity that'll give you the necessary skills for a cyber career! No prior cybersecurity or technical experience needed.

The Hackathon is a 3-day virtual, interactive event with other tech-driven students.

A gradual learning experience, the first day is packed with webinars and hands-on activities including Network and Web Application Hacking Workshops that cover ethical hacking and incident responses. The second day is self-study and a chance to review your newfound skills. On the last day of our Hackathon, participants compete in our cyber attack challenge!

Two winners of the final challenge will win a free seat in our upcoming **Cybersecurity Bootcamp worth IDR 12,000,000!** All Hackathon participants will get the chance to win spectacular prizes and eligible to get discount voucher to join our upcoming International Cyber Security Bootcamp.

Learn more about the Hackathon here:
