## JOINT UNDERGRADUATE PROGRAM

### About the Program

---

The joint undergraduate program involves the cultivation of undergraduates from Universitas Brawijaya. Current undergraduates at Universitas Brawijaya **may join the program for 1 year.**

Each student under this program should be **tutored by a supervisor from BGI** who will guide the student to **make research plan and complete graduation project.**

Each student under this program shall **complete his or her graduation thesis and go back to Universitas Brawijaya to participate in graduation defense according to the rules and regulations in force at Universitas Brawijaya.**

Upon the completion of the program, **the students will be conferred a Bachelor's degree by Universitas Brawijaya** if the student meets the criteria.

## UNIVERSITAS BRAWIJAYA POSTGRADUATE PROGRAM & BGI SPECIAL PROJECT

### About the Program

---

This program involves the cultivation of **jointly admitted master's and/or doctoral students with backgrounds in science, engineering, medicine and other inter-disciplinary areas** related to life sciences.

Candidates can be **outstanding bachelor's/master's graduates** and staffs recommended by the Parties, as well as other international applicants.

## Supervision and Research Topic Agreement

---

Each student admitted in this program should be jointly **supervised by a scientist from BGI and Universitas Brawijaya**, respectively (collectively the "Supervisors").

The Supervisors shall **jointly define a general research topic which should be agreed by the student they tutor** at the time such **student starts the program**.

The day-to-day supervision will be guaranteed by the supervisor of the hosting institution.

## Completion Requirements

---

To complete this program, each student must successfully gain full credits and complete the graduation thesis and defence according to the requirement of the Supervisors and the graduation rules and regulations in force at UB.

Upon the completion of this program, the students will be conferred a master's or PhD degree by UB.

For **2-year** postgraduate program, students shall spend **0.5-1 year at Universitas Brawijaya for course study** and at least **1 years at BGI completing research projects**.

For **3-year** postgraduate program, students shall spend **0.5-1 year at Universitas Brawijaya for course study** and at least **2 years at BGI in completing research projects**.

For the postgraduate program of **4 years or above**, students shall spend **1 year at Universitas Brawijaya for course study** and at least **3 years at BGI completing research projects**.

## JOINT POSTDOCTORAL PROGRAM

### About the Program

---

Prospective post-doctoral candidates can be **outstanding PhD graduates and staff recommended by the Parties**, as well as other international applicants. Each post-doctoral fellow will have a **main supervisor at BGI and a co-supervisor at Universitas Brawijaya**.

Post-doctoral fellows under the joint post-doctoral program shall **spend at least 2 years at BGI, and during the period, they may have up to 6-month exchange at UB** according to the decisions of their supervisors.

The post-doctoral fellows **have the same right to carry out research at the Parties** according to the rules and regulations of the parties as any other post-doctoral fellows

### Post-Doctoral Program Support and Evaluation

---

BGI will assist post-doctoral candidates to obtain the **approval of employment from China National Post-doctor Regulatory Committee**.

The post-doctoral fellows should **submit work reports, papers and works upon the completion of the joint post-doctoral program**.

**BGI shall organize the evaluation of the scientific research achievements, and comprehensively examine the academic levels, work abilities and work performances** of the post-doctoral fellows, and **apply post-doctoral certificates for the post-doctoral fellows from the Ministry of Human Resources and Social Security** of the People's Republic of China and the Committee, upon the completion of post-doctoral work according to the requirements of related provisions of the Committee.

## EXCHANGE PROGRAM

### About the Program

The exchange program receives **students of different academic levels** (Bachelor/Master/PhD) and/or faculty members from Universitas Brawijaya to **visit BGI and join BGI's research projects for 3-12 months.**

Each exchange student under this program will be tutored by a supervisor from BGI.
