

Course Materials and Recruitment for

UNIVERSITAS BRAWIJAYA

TAIHEI DENGYO KAISHA, LTD.

**Wednesday, 2 September, 2026
09.00 AM ~ finish**

**Venue : Ruang UPKK 2 Gedung DPKA
Universitas Brawijaya**

Lecture Details & Application Guidelines

Lecture Content: This lecture will focus on the history and business operations of TAIHEI DENGYO, a company with extensive experience in plant construction and maintenance. We will also explain how power plants work and introduce our initiatives in renewable energy.
In addition, we have invited two special guests from Indonesia who are currently building successful careers in Japan. They will share their real-world experiences and insights. (Guests: One Professor from Chukyo University, and one senior Indonesian employee from TAIHEI DENGYO).

Application Requirements

- ▼ Students majoring in Mechanical Engineering, Electrical Engineering, or Computer Science.
- ▼ 3rd-year students, 4th-year students, graduate students, or alumni (graduates).

Capacity

Up to 50 participants (A lottery may be held if applications exceed capacity.)

Application Period

Wednesday, August 6, 2026 – Tuesday, August 25, 2026

How to Apply

Please scan the QR code on the right and fill out the required information. Selected participants will receive a "Participation Pass" indicating the venue via email by the end of August.
